Other Resources

United Way 2-1-1 - First Call for Help

Use this number to reach your local First Call for Help: 211 or 1-800-543-7709

Please note that 211 works from many but not all cell phones. United Way 211, formerly United Way - First Call for Help, is a community answer line that provides you with information about, and refers you to, individual and family services. Trained volunteers provide information on health services, health issues, counseling, child care, legal help, transportation, and more. Phones are answered 24 hours a day.

.....

PORTICO Healthnet

651-489-CARE (2273) or 1-866-489-4899

www.porticohealthnet.org/

Portico HealthNet can help you find out if you are eligible for one of Minnesota's health care programs, such as MinnesotaCare or Medical Assistance, assist you with application forms, and help you through the enrollment process. If you are not eligible for one of Minnesota's programs, staff can help you apply for the Portico Healthnet Program that offers access to a number of health care services through a network of providers.
