

Are you a college student or a parent of a college student?

Augustana has a ministry called "The Church Mouse" ministry. This ministry supports and cares about college students who are away at school. This ministry is a way for Augustana members to care for our college students and show that they are not forgotten here at church! The Church Mouse will remain anonymous throughout the school year. A gathering will be held in June 2016 when the student will meet their Church Mouse.

Ministry to Care for College Students Away at School!

What: CHURCH MOUSE MINISTRY

Who: An Augustana member or family "adopts" a college student and sends cards, notes, care packages, etc., anonymously throughout the school year to students who are attending college away from Augustana.

When: Minimum time commitment from October 2015 ~ May 2016

Why: To let our college students know that they continue to be connected and cared about while away at college.

How: Complete the form with your name, phone number and number of college students you would like to "adopt." Additional forms are available at the Information Desk.

Name: _____
