Stewardship *2016*

Your Giving Plan demonstrates your trust in God and expresses your belief that either God is a generous God who “is able to do more than we can ask or imagine (Ephesians 3:20) or that God is a God of scarcity. It also informs Augustana of the financial gift you intend to share in 2016 which allows us to plan how God’s love, through your gifts, will be shared within our community and beyond.
