Preschool News

Think pink, red, hearts, chocolates and love. Yep it's February! The children will be having a Valentine fun day this month. If you would like, you may provide a valentine for every child in the classroom and yes if there is candy attached that is ok too. This is not required.

On a different note, a local children's entertainer by the name of Will Hale recently donated a box of music cd's that are child and family friendly. They are pre-loved but he wanted them to go to a good home. If your family would like some music and you have a cd player (I do and use it a lot) please stop by the preschool office and look through the music. They are free for the taking.

February is dental health month. Do you or someone you know have dental knowledge? We are looking for someone to come and talk to the kids about teeth and dental health.
