Preschool News

We start November with the end of daylight savings time so be sure to set those clocks back. Did you know the average 3-5 year old needs 11-13 hours of sleep per day, including naps? That is according to the National Sleep Foundation.

We have a lot going on this month so be sure to look at the dates to remember section below. School picture day and parent/teacher conferences are two upcoming days. There will be a brochure about the picture day in your child's backpack and also a pre-conference form that I would like to get back before conferences. If you have any questions about either of these dates please ask. Our themes this month are space, harvest and Thanksgiving. I hope you Thanksgiving table is filled with family, friends and good food.

Thoughts to Ponder:

a scribble
ISN'T
A SCRIBBLE...

It's a story, a name, a word,
a masterpiece.
