Preschool News

Welcome to preschool at Augustana! I will be joined in the classroom by Miss Katie and Miss Nancy will be available as a substitute as needed. As we start this year, it will be different, mostly for parents. Sadly, you will not be allowed in the building at this time. When know there will be tears and we will do our best to make this transition as easy as possible. As things change, we may change the curbside drop-off to a door drop-off. We will keep you updated on any and all changes (as much as possible). We will email you daily with pictures and up-dates on how the day went for your child. We will miss the face to face with parents. We are very excited to get back into the classroom and we are so glad you and your family are here with us! Feel free to email or call me with any questions.

Thoughts to Ponder:

A child's life is like
a piece of paper
on which every person
leaves a mark.
