# The Ripple Effect of Your Generosity

Your partnership and investment in Augustana's vision, values, and ministry will have a far-reaching ripple effect both now and into the future. Creating your Giving Plan:

- Informs Augustana of the financial gift you intend to share in 2021, allowing us to develop a missional budget.
- Determines the amount we share (20% of Giving Plan dollars) with local mission partners, which allows them to offer hope to the vulnerable, feed the hungry, house the homeless, and share the faith.
