FEBRUARY

Augustana Preschool

2021

Preschool News

February is here and we are ready to learn about author, Mo Willems, love/Valentine's Day, pirates and pets. The pirate theme was added because some of the kids have asked us to have treasure maps and we decided to turn that interest into a theme. We are looking forward to all of our learning themes this month.

Valentine cards can be brought for the whole class for our celebrations on the 11th/12th. You do not have to label them but if you would like your child to have writing practice, then go ahead and label them. I will post the names of the children on the seesaw app.

If kindergarten is in your future, registration dates and open houses are often in February. Things may be virtual this year, check with your school district for more information.

Our preschool was randomly chosen by the state to be part of the Covid-19 vaccine pilot. Miss Katie and I received our first shot on Jan. 22 and will get our second dose on Feb. 12/13th. We feel lucky to have been part of the pilot.

Play, Pray & Grow!

Do you ever ask your child about what we talk about in Chapel time? Miss Katie and I have been surprised and impressed with conversations we have had days later and what the children remember. For example, one of the children reminded us that we can sing when we are afraid. Something Miss Joann shared in Chapel while singing Jesus Loves me with the kids.

DATES TO REMEMBER

Feb. 2/3: Chapel with Mrs. Collins
Feb. 11/12th: Valentine's can be shared
Feb. 15: NO SCHOOL PRESIDENT'S DAY
Feb. 16/17: Chapel with Mrs. Pfeifer

Thoughts to Ponder:

When I see you through my eyes,
I think that we are different.

When I see you through my heart,
I know we are the same.

~Doe Zantamata
