2021

Preschool News

I think it is safe to say we are all ready to start the new year. Welcome 2021! We will be starting January off with snow so be sure all the winter outerwear is sent in each class day. We will be outside unless the wind chill is too cold. We also request that shoes be sent each day as well to help keep the floors dry and also because little feet get hot in boots when they are inside. Always remember that we have extra outdoor clothing if you do forget something. If school is cancelled due to weather, you will receive an email and it will be posted on SeeSaw.

We will start the month with an alphabet and shapes theme, followed by author Laura Numeroff, (If You Give abook), a music theme and finally a winter theme. We are hopeful that the snow we have will be fun to play in and maybe we can get some sledding in too.

We are very thankful for all of your help keeping each other healthy during the last few months. We have hardly used any Kleenex so far! We have made up for it is soap usage though :) We appreciate you keeping us informed if your child will be staying home for any reason and especially if they are sick. Thank you. Let's start 2021 !!

I saw this in the paper and thought it was a good site to share. It is a website that offers things to do as a family. The website has lots of fun ideas and some articles. I think it is really great. Check it out.

Play, Pray & Grow!

I hope you all got a chance to view our Christmas skits. The kids did a fantastic job and we are so proud of them! If you think about it, they only had a few days to learn the songs and the story. It wasn't a live Christmas program but Miss Katie and I thought it was a great alternative. We hope you liked it as much as we did.

DATES TO REMEMBER

Jan. 4/5: Welcome Back!

Jan. 5/6: chapel with Mrs. Collins

Jan. 18: No School Martin Luther King Day

Jan. 19/20: Chapel with Nurse Joann

Thoughts to Ponder:
