

New Member Bio Form

We are so happy that you have chosen Augustana as your church home! To help the Augustana community get to know you, we prepare an insert that appears in the bulletin on the date of your installation into membership. The insert includes a picture of you and/or your family and a short bio. Please take a few minutes to share some personal information about yourself and your family.

Example:

Amanda and Joe have a daughter, Renee, who is six months old. Joe works for a company which does trades shows for 3M, and he also runs the warehouse floor. Amanda stays home with their daughter, and enjoys scrapbooking, gardening and other crafts.

Now it's your turn!
