AUGUSTANA HARVEST FUND

The Augustana Harvest Fund is an endowment that provides additional financial resources, separate from regular offering, to support and enhance the mission and vision of Augustana Lutheran Church and our work in the community and around the world.

How it Works

Your gifts allow you to make a difference today, tomorrow, and far into the future. Gifts are invested in the fund's principle and only a portion of the growth is distributed each year.

Our Impact

Annual distributions from the fund are made based on requests covering five broad mission and ministry areas: Worship & Music, Children, Youth & Family, Global Health & Education, Community Mission, and Unrestricted.
